

2018

- JAN | **State of EdTech** The minds behind what's now and what's next.
- FEB | **Creators of New Realities** Visionaries of our (virtual, augmented, mixed) future.
- MAR | **Measurers of Success** Masters of the test, productive portfolio promoters.
- APR | **The EdTech Awards** Honorees for 2018 – Innovators, Leaders and Trendsetters.
- MAY | **Students in Control** of technology, of learning; enduring (and new) skills and abilities.
- JUN | **The True Professional** and the importance of practice, competence, mastery + fluency.
- JUL | **Who's Got My Money?** E-rate experts, donors, student loaners, VCs, billionaires & bootstrappers.
- AUG | **The Purpose of Education** Meet the creators of technologies that support it.
- SEP | **School Leaders Leading Schools** Digital leadership: principals, superintendents, college leaders.
- OCT | **A Spirit of Play** Students, educators, leaders having fun with a game-based approach.
- NOV | **EdTech1000 Transforming Education** People in teams moving education forward.
- DEC | **Visitors from the Future** Here are their messages for us.

In every issue:

Cool Tools >> 200 words and image on a dynamic, useful tech tool to improve education

Interviews >> 1000 words with a founder/exec/educator or other edtech leader

Trends >> 200 words about a relevant report, survey or other edtech indicator

Guest Columns >> 750 words of industry or educator insight on edtech issues
